Dear Brother Knights,

The summer is half gone. The officers of your council have met throughout the summer. We have been diligently planning the activities for the fraternal year. The Council will sponsor an ice cream social on Monday August 20th 7:00 in the Church Hall. We are inviting the entire Resurrection community. It is my hope that our Council members and their families will attend. Invite your friends. Maybe we can get the men to join our Council.

As your Grand Knight, a major goal is to improve attendance at our meetings and Council events. When speaking with fellow Council members, please ask if they are attending the next meeting or event. Feedback from some members of our Council indicate they are not aware of our scheduled meetings and events. I need everyone's help when it comes to communicating. The Council needs to do a better job of communicating with our members. So spread the word and talk up our Council activities!!!

Father Collin Poston is leaving from New York for Johannesburg, South Africa on August 1st. From Johannesburg he flies to Tanzania. Fr Collin is on a mission for the church but I do not have any specific details. So please pray for our Council Chaplain's safety and success for his mission. I asked Fr Collin to consider letting our Council sponsor a talk he can give to the entire parish. I'll let you know whether he wants to pursue this.

Our Council has a new online calendar. (http://my.calendars.net/kofc_11341) Thanks to our Worthy District Deputy Hans Weidig for suggesting this free service. The calendar is much easier to update and maintain. So check it at least weekly to keep informed of our Council activities.

Vivat Jesus!!
