December 31, 2007

Dear Brother Knights,

I hope you and you family enjoyed a blessed Christmas holiday. I pray you spent some wonderful family time together.

December was a very busy month for your Council. The St Nicholas Party had more than 30 children and their parents creating special gifts for Christmas. Many thanks to Lady Natalie Evans for organizing and conducting the party. Lady Natalie does a wonderful job of coming up with creative projects for the children to work on. We can't forget to thank Santa Claus for joining the party. Brother Bernie Bradyhouse once again did a convincing job of the jolly olde soul! Our Council directed traffic for the parish during the Christmas Eve Masses. A heartfelt thank you to Brother Hans IV Weidig for chairing the event. Brother Hans IV came early and stayed late to make sure everything ran smoothly. He did a great job.

The fraternal year is half over. For 2008, all of us need to help increase our membership. I am asking each and every one of you to ask 1 Catholic man to become a Knight. We can help our Resurrection priests and our parish even more if we had more members. So please ask a friend to join.

Wishing you and your family a Happy and Blessed New Year!

Look around, count your blessings and give something back.

Vivat Jesus!!

Drew Scurachio, Grand Knight
