October 3, 2007

Dear Brother Knights,

I have to admit I am very excited about our upcoming Italian Dinner Night on October 5th. We have collected more than \$700 for tickets. We are holding tickets for about 40 more people. And we expect another 30 – 40 people to purchase tickets at the door. So the dinner is shaping up to be a successful money maker for our Council. But what I am really excited about is the comments from our parish community and priests. Their comments reveal a very strong desire to be brought together as a parish community. A reason to get to know and socialize with others that share their faith. For families to do something other than gawk at the television all night. I am excited that our Council is actively doing something to bring the families of our parish together. And each of you is a part of this.

Father Collin is giving a presentation on his mission to Tanzania. The presentation will be given in the chapel on 2 nights: October 9th and October 18th. The Knights are sponsoring the events for Father Collin. Our Worthy Lecturer, PGK Robert Carter, has been making all the arrangements and assisting Father Collin. The Knights will be providing refreshments after the presentations. The October 18th presentation will be our Council's monthly social meeting. So please mark your calendars. Please come to enjoy the presentation and get to know the other Council members. Please wear your badge so everyone knows you are a Knight.

Our Council's Membership Blitz is being held on Sunday October 7th. We will have a table set up at Coffee and Donuts. Please ask a friend to join our Council. Catholic men will join our order if they are asked. So please wear your badge to Mass and join us downstairs for C&D. Let's have a strong presence this weekend for our Membership Blitz.

Please check our new online calendar. (http://my.calendars.net/kofc_11341) for the above events and all other activities.

Vivat Jesus!!

Drew Scurachio, Grand Knight
